Rainsaver MK3e, Pump with Cover and base

Auto Restart Pump with Foodgrade Flexible Hose

- Bianco INOX60PC pressure system pump with auto restart controller
- Bianco Rainsaver MK3E automatic mains/changeover device
- Pump Cover complete with Base
- Food Grade suction hose with rainwater tank fittings
- Designed to operate with mains pressure up to 800 kPa (116 psi).
- Suits mains flows to 100 litres per minute.
- Barrel unions and 'Torque Set' safety spanner are included for installation. It's impossible to over tighten.
- Incorporates a 24-hour automatic pump restart.
- Watermark approved for connections to all Town Water supplies. Safe against waterborne bacteria, dezincification and lead poisoning.
- Auxiliary outlet allows for 'energy saver' water storage –

pressure vessels to reduce pump starts.

- Peace-of-mind 2 year infield warranty.
- Revolutionary 'Mono Channel' design does not restrict flow or reduce pressures, eliminates possibility of water leaks
- Easy to clean, pump and town inlet strainers are included to prevent blockages in dishwashers, washing machines, sprinklers etc.
- Australian owned and designed.
- The pump regulates flow and pressure and protects itself against voltage fluctuations and loss of water.

Pump Performance

Flows to 36 l/min
(3 to 4 Taps at 8 litres per minute each)
Pressures to 320 kPa
600Watt Motor
